# 578 NEW HOUSES TO BE APPROVED

**STUDENTS had a good reason to jump for joy with the record-breaking results they received last Thursday.**

On August 14, teenagers across the country got their A-level results with many students in Basingstoke achieving top marks.

Queen Mary's College in Basingstoke saw the best A-level results in its history, with over half of all grades reaching the top grade bracket of A* to B.

Alton College also saw 38 subjects achieving a 100 per cent pass rate.

Today is the turn for GCSE students to find out their results in secondary schools across Basingstoke.

See page 5 for a full breakdown of the college's results.

## £100m development plans for homes on unused land could be given green light

**PLANS for a £100million development of 578 new homes on derelict land near Basingstoke's town centre have been earmarked for approval.**

A report by council officers published yesterday recommends the proposal, in South View, be allowed to go ahead.

A final decision is due to be made by councillors at Basingstoke and Deane Borough Council's planning committee on Wednesday.

The plans would see 247 houses and 275 apartments built on land the size of 16 football pitches north-west of the town centre off Chapel Hil and Kingsclere Road, alongside 2.85 hectares of open space.

The 10.4-hectare site, which had been empty since 2001, used to house factories, office blocks and warehouses.

Plans were submitted by developers Sentinel Housing.

Sentinel's development and regeneration director Mike Shepherd, said: "With the average property prices in the south-east now reaching just over £310,000 there is a huge demand for affordable housing and we are determined to do all we can to help.

"Our intention is to create a vibrant new community close to the town centre with a choice of homes to suit all pockets."

If the plans are approved Sentinel aims to start building by the end of the year.

A historic art deco 'white' building, which was the site for the UK headquarters of pharmaceutical giant Eli Lilly, will be converted into 56 apartments as part of the project.

A total of 232 homes will be affordable housing.

The proposals were first unveiled last March and community consultations were held.

Nearby businesses welcomed the plans to revive the area and boost trade.

Simon Green, 31, supervisor at the Kwik-Fit store off Kingsclere Road, said: "It is just unused waste land at the moment so new houses will obviously be good.

# Violent Basingstoke brothers found guilty

**A JURY took less than two hours to find two Basingstoke brothers guilty of a brutal 'revenge' attack last Friday.**

By **Mathew Di Salvo**
mathew@taylornewspapers.co.uk

Winchester Crown Court heard they stabbed a man in the face who they believed was involved with their sister's death two days earlier.

Judge Linda Sullivan QC warned the pair, and a third female accomplice, they face a "long sentence" for the serious assault.

Raymond Collins, of Penny Black Lane, Gary Collins, of Worting Road and Samantha Lee, of Winkleberry Centre, denied wounding with intent and possession of an offensive weapon throughout the week-long trial.

Judge Sullivan said: "This is a joint offence and all three defendants will be sentenced and remanded together for these serious charges."

The trio are due to be sentenced at Portsmouth Crown Court on September 26.

Gary Collins, 34, was led away in handcuffs back to court cells.

But his younger brother Raymond Collins, 33, struggled angrily against the security guard who was trying to handcuff him.

They attacked Jason Webb, 50, at his home in Pentland Close, Buckskin, after a binge drinking session on February 11.

The jury heard Mr Webb was slashed with knives, stabbed in the face, stamped on and attacked with a mirror, lamp and other household objects by all three defendants.

The court had heard that the sister of the brothers, Samantha Wheeler, died at a house on Vyne Road on February 9 due to a suspected heroin overdose.

It was also heard that Gary and Raymond Collins attacked a man and stamped on his head in Basingstoke's Top of Town in April last year.

Samantha Lee also has a previous conviction for assault.

All three have been remanded in custody.

A request made by Ms Lee's lawyer, Charles Durrant, for her to be let out on police bail until the sentencing was rejected by Judge Sullivan.

# One way to play with your food

**AUBERGINE penguins? Pepper heads? Cauliflower sheep? Not what you would typically expect to see on a day out shopping.**

But hundreds of people had a go themselves at making their favourite animals out of fruit and veg for free in The Malls on Friday.

The workshop was run by a Basingstoke family-run business called Carving Magic that makes fruity art and vegetables with a twist.

Mark Dobson, 44, who works for the Popley-based company, said: "It was great to see so many people come along and take part.

"We didn't expect it to be that manic – over 260 people had a go at making animals.

"We even ran out of fruit and veg at one point."

The workshop, from 10am until 4pm, was originally planned to give kids a go at becoming impressively creative chefs.

But adults were also keen to get stuck in.

Mr Dobson added: "A lot of children don't even know what an aubergine is, so this is a fun way to educate them about food too."

The company creates intricately carved fruit and veg as centrepieces for events.

# Businesses welcome project to revive area

•*From front page*

"The town centre is getting busier and busier so the housing demand is obviously great.

"Of course it will help our business too if there are more people living in the area."

Jade Windsor, 20, assistant manager at the Rising Sun pub in Chapel Hill, said: "We welcome the plans for new housing as it will only benefit our business and hopefully make the area livelier."

Councillors for the area, in Norden ward, are due to attend the meeting next week to give their views and raise relevant concerns.

Norden ward councillor Laura James said: "We have to get the best development possible.

"There are some concerns with traffic in the area but Sentinel has listened and taken on board concerns from residents.

"The 'white' building has value so we are glad that will stay and delivering affordable housing is much needed."

Councillor Paul Harvey, also for Norden ward, said: "We will be pushing for as much affordable housing as possible and we want to make sure that resident's views in the area are heard.

"The consultation held last year was good but we want to make sure it is perfect for residents."

The development control meeting is due to take place on August 27 at the civic offices in London Road from 6.30pm.

# Sky high for charity

**A MAN from Tadley will be skydiving with his girlfriend to raise money for a six-year-old schoolgirl who lost her arms and legs to meningitis.**

Mark Phillips, 32, of Brookside Walk, will be dropping out of an airplane on August 25 with 22 others to raise money to buy prosthetic limbs for Charlotte Nott.

Charlotte, from Oxford, lost her arms and legs below the joints four years ago to meningitis.

Mr Phillips, a self-employed gas and heating engineer, said: "This is such a worthy cause and a fun way to raise money.

"I did my first tandem skydive two years ago and got hooked – it seems to have that effect on people.

"Having skydived for Charlotte before I thought, why not do it again this year?"

Mark and his partner, Keely Sinnott, 37, have raised £750 so far.

Keely, who is also from Oxford, has always supported fundraising events for Charlotte because her daughter goes to school in Oxford with her.

The money raised will go towards buying Charlotte specialist limbs to help her walk and play.

As Charlotte grows, she needs two sets of legs each year.

Each pair cost around £6,000.

Jenny Nott, 32, Charlotte's mother, appreciated the couple's efforts: "We have had a great deal of support from our local community, for which we are extremely grateful.

"It's what keeps us going really – that and the look on Charlotte's face when she masters new skills."

She added: "Our strategy now is to arrange perhaps two or three major fund raisers each year – of which this weekend's skydive is one.

"We'd like to thank everyone who is taking part."

## Gang attacks woman sitting on kerbside

**A GANG of about five people attacked a 21-year-old woman sitting on a kerb in Basingstoke when she refused to hand over her money.**

Police last week made an appeal for anyone who saw or heard the assault on Saturday, August 9, to contact them.

The woman was sat on the kerb at the junction of Old Kempshott Lane and Lowlands Road when a gang of four or five people wearing hoodies demanded money between 11pm and 11.30pm.

When she refused the woman was kicked in the body and arms.

She then handed over the cash and the gang ran off down Old Kempshott Lane.

Detective Constable Andrew Wright, from Basingstoke Police Station, said: "This incident is likely to have been overheard by people living in the local area due to the time of night and as a result of the number of people involved.

"Did you see or hear anything at the time of this incident or have you got any information about those responsible?"

All are described as white, and in their early 20s.

One of the men is white, about 21-years-old, 5ft 8 to 5ft 10 tall, of skinny build, and was clean shaven.

He was wearing a grey hooded top and black tracksuit trousers.

Anyone with information is asked to contact DC Wright at Basingstoke Police Station by calling 101.

# Record-breaking A-levels for town

By **Mathew Di Salvo**
mathew@taylornewspapers.co.uk

**STUDENTS across Basingstoke opened up their A-level envelopes to record-breaking marks on results day last Thursday.**

The 800 students at Queen Mary's College, in Cliddesden Road, achieved the best results in its history.

There was a 100 per cent pass rate in 80 per cent of its subjects and almost half of all grades were A* to B.

Principal Ali Foss said staff and students "should feel very proud of their achievements."

She added: "It is extremely pleasing to have such good results across the curriculum."

It was her first year at the school as principal.

Alton College principal Jane Machell also had reason to celebrate with 53 per cent of students celebrating top grades A* to B grades, and 80 per cent achieving A* to C.

She said: "I am delighted with the student's outstanding success.

"The results are testament to the huge effort, hard work and determination of our students and staff.

"I am proud that our students have maintained consistently high standards yet again and heartily congratulate them."

• Students from Queen Mary's College, Basingstoke

The college, in Old Odiham Road saw over 38 subjects reach a 100 per cent pass rate.

Across Hampshire, results were up on last year, with 24 per cent of A-levels graded A* or A – up by one per cent.

Hampshire County Council's executive member for education, Peter Edgar, said: "I would like to congratulate all post-16 students in Hampshire on their success.

"This summer's results are once more a reflection of both the hard work of students and the high quality post-16 education and training sector that we have in Hampshire."

Today is the turn for GCSE students to find out their results at schools across the country.

## Advanced Digital Imaging

OCT will give accurate diagnosis:

- AMD
- Diabetic Maculopathy
- Macular Hole
- Epiretinal Membrane
- Early detection of Glaucoma

*It is estimated that approximately 2% of people over the age of 40 will have Glaucoma.

*Statistics obtained from The International Glaucoma Association.

### What is an OCT scan?

This practice has invested in the very latest OCT scanning technology.

An Optical Coherence Tomography (OCT) scan is a unique test which uses near-infrared light reflected off the retina to produce a high resolution 3-Dimensional scan of the retina and associated structures.

It is particularly useful in the assessment of patients with AMD, Diabetic Maculopathy, early detection of Glaucoma and the management of these diseases. The test is non invasive, quick and entirely painless.

Am I at risk of Glaucoma?

Are you over 40?
Do you have a family history of Glaucoma?
Are you short sighted?
Do you have diabetes?
Are you of African-Caribbean origin?

If the answer is yes to any of these questions, then you are at an increased risk and should definitely have your eyes tested regularly.*

### Why has this practice invested in OCT?

We believe this advanced imagery allows us to detect and monitor early stages of diseases and as this examination is not available under the NHS, we make an additional charge for this scan. Please ask for further details.

This assessment of your eyes using OCT Technology will give us the most accurate diagnosis possible and help us give you the best advice to protect your sight and the health of your eyes.

# Budget cuts to disabled children's breaks could be delayed by a year

**PLANNED £1.85million budget cuts to short respite holidays for disabled children could be delayed after the decision was "called-in" by a Basingstoke leader last week.**

It means the cuts could be postponed a year to give charities time to try and figure out ways to plug the funding gap.

Hampshire County Council is due to reduce the budget from £3.2m to £1.3m.

But county councillor for Basingstoke, Criss Connor, called in the decision last Tuesday.

He is fighting so the decision can be reviewed and revoked for the year.

By **Mathew Di Salvo**
mathew@taylornewspapers.co.uk

"All we are looking for is time," Cllr Connor said.

"The short break budget allows carers to have a break and gives disabled children the chance to do something normal.

"This is a particularly difficult cut to face."

The children and young people select committee will meet in Winchester on September 12 to review the decision and see if the cuts can be pushed back to the 2016 to 2017 financial year instead of 2015 to 2016.

The county council's executive lead member for children's services, Keith Mans, said earlier this year: "We are intensely aware of how important short breaks are to children, young people, their families and carers but, as much as we would like to, we cannot sustain the current level of funding and at the same time meet our obligation to provide statutory services such as safeguarding - where we are seeing significant growth in the number of children coming into care.

"This means we are no longer able to offer the same level of discretionary support to disabled children who do not meet the threshold for statutory services."

It was revealed that if the cuts went ahead, a number of families would not receive short breaks at all.

Gail Bedding, who is the co-chair for Hampshire Parent/Carer Network and the mother of a severely disabled son, described the county council decision as "very short sighted."

She said: "It is just not going to work.

"The effects on families in Hampshire will be catastrophic.

"Imagine what it is like to have to support disabled children, it is non-stop.

"If the cuts go ahead, parents won't get a break and families will go into crisis."

The meeting on September 12 is to be held at The Castle in Castle Avenue, Winchester.

# Old Basing cadets

· Old Basing Cadets outside Merlin Mark 3 helicopter

**ARMY cadets from Old Basing put their training to the test last week.**

The four teenage cadets were tasked with military missions including shooting and army drills.

They tackled the activities at Westdown Camp in Salisbury Plain from August 9 to 16.

Helping lead the event, Lieutenant Colonel Theresa Farmer, of Hampshire and Isle of Wight Army Cadet Force, said: "The Old Basing cadets were great last week.

"They all joined in with the activities and I would say they were a tough bunch."

The annual summer camp sees experienced army cadet officers help young cadets tackle military-style challenges.

The Old Basing team flew a Merlin Mark 3 helicopter during the week.

The medium-lift chopper is used by the armed forces in Britain, Denmark and Portugal.

They also had a go at clay pigeon shooting, archery, a climbing tower exercise and a mountain bike course.

Lieutenant Colonel Farmer added: "It was good to see them take pride in being in the cadets – a great hobby for young people to be a part of."

The Army Cadet Force is a Ministry of Defence sponsored youth organisation.

It aims to promote achievement, discipline and good citizenship for young people aged 13 to 18.

Hugo Lindsay won the table, made by artists from Festival Place's pop-up gallery, All Our Own Work.

It was made from one of the tables from ASK Italian restaurant and sold for £180 to raise money for a new cancer centre planned for Basingstoke.

# New machine to help Skye communicate

By **Mathew Di Salvo**
mathew@taylornewspapers.co.uk

**A WHEELCHAIR-BOUND girl could be able to communicate at school more easily when she starts term next month.**

A hi-tech £5,000 eye machine to be bought for her classroom will mean Basingstoke seven-year-old Skye Wellesley can tell teachers and family how she is feeling.

Skye has a rare genetic disorder called Rett syndrome, which means she has severe physical and mental disabilities.

A national fundraising day by Jeans for Genes – a charity for children with genetic disorders – is raising money for the machine on September 19.

Skye's mum Emma Wellesley, 37, said: "Eventually, it will help her communicate all her feelings to us, which will be fantastic.

"The technology is amazing."

The Tobii Eye Gaze machine will be given to Henry Tyndale in Farnborough where Skye goes, and where two other children with Rett syndrome also go.

The school has a similar machine but the money will buy a new, advanced machine which will mean the children can share two between them rather than one.

Previously the school had to timetable a schedule for when Skye could use the machine – which teaches her how to improve her communication skills.

• Basingstoke seven-year-old Skye with her mum, Emma Wellesley

Lina Abdulkarim, a spokesperson for Jeans for Genes said: "Using this machine, Skye will be able to tell people how she feels.

"It will be good for her and the other pupil's development - It is a fantastic investment."

Skye was diagnosed with Rett syndrome at 15 months old.

Mrs Wellesley said: "One day I remember her holding a rattle in the highchair, the next day she couldn't hold it at all.

"Within days she had lost the limited skills she had.

"She had learnt the initial syllable sounds like 'Dad', 'Ma' and 'Ga' and then they were gone."

Rett syndrome affects roughly one in 15,000 women and girls around the world.

The national Jeans for Genes day encourages people to wear jeans to work or school and donate to the charity for them to buy the equipment.

To donate go to jeansforgenes.org/helpskyetalk.

# New sites for allotments in Basingstoke

**NEW allotments are to be created in Basingstoke to tackle a 500-long waiting list of people.**

There are 1,083 allotment plots across 42 sites in Basingstoke, with 500 people waiting for one.

Basingstoke and Deane Borough Council are looking into where more could be built.

Pieces of land north of Carpenters Down and Carpenters Down South in Popley; off Shakespeare Road in Popley; at Danebury Road/Chatsworth Green in Hatch Warren and in Beggarwood Park are among the possibilities.

Funds of £225,000 have been set aside for three of these sites.

A total of 40 plots are to be created in the south-east corner of an old allotment site in South View.

Council officers have started designing the layout.

The council's cabinet member for community services and the environment, Hayley Eachus, said: "The popularity of growing your own food has seen a continuing demand for allotments and we are keen to move ahead to provide them.

She added: "The council's comprehensive review of allotments across the borough has revealed the areas of most need and we are keen to look at which of the potentially available sites would provide the best options for the future."

A public consultation on the plans is to be launched early next year.

### Charity chosen

BASINGSTOKE: Sainsbury's has picked Basingstoke Young Carers as its charity to support over the next year, the store announced on Friday.

Shoppers picked the support charity to become the Station Road store's new charity partner in a vote from May 1 to May 15.

It is the fifth year the store is running the scheme, which picks a charity to raise funds and awareness for over the year.

Basingstoke MP Maria Miller said: "I know what a difference the initiative has made to local charities in my constituency in raising not just vital funds, but raising awareness of their cause too."

Basingstoke Young Carers, based in White Hart Lane, gives young carers a break from their responsibilities.

### Comic art online

BASINGSTOKE AND DEANE: Comical portraits of those who attended the Basingstoke Festival over June and July are now online.

French artists Les Cubitenistes created quirky pictures of residents who went to the festival with various props.

The scheme was part of Hat Fair Out There – a Winchester based arts project.

Prints were on show at The Willis museum in Market Square.

They can now be taken home by the people who were captured in the photos.

The pictures can be viewed online and downloaded at www.cubitenistes.com/spectacles.

# Cancer centre could be on edge of town

By **Mathew Di Salvo**
mathew@taylornewspapers.co.uk

**A LOCATION for where a new £13million cancer centre will be built is to be decided by the end of this year.**

An area of land on the south-west edge of Basingstoke has been earmarked for the state-of-the-art cancer care centre, the Observer learnt on Tuesday.

But also in the running is the current site of the Basingstoke and North Hampshire Hospital, in Aldermaston Road.

Vickie Randall, manager of the Ark Cancer Centre Charity, said: "We hope to decide before Christmas but we will definitely be able to announce a location in the New Year.

"Our preferred location is just off junction 7 of the M3 in Dummer.

"Foundation hospitals will have easy access to this site.

"We have an alternative site of Basingstoke Hospital."

The charity pledged to raise £5m towards the cost of the centre, to be built by Hampshire Hospitals NHS Foundation Trust.

It has so far raised £250,000.

The Inner Wheel Club of Basingstoke – a charity to help out other charities – donated £1,440 to the project during the club's 60th birthday celebrations in Oakley Hall last month.

· Vickie Randall (second from left) receiving a cheque from president of Inner Wheel of Basingstoke, Jenny Turner

The club's president, Jenny Turner, said: "The charity is particularly close to everyone's hearts as many of the members have had contact with cancer in some form or another.

"We believe that the extra facilities will make treatment more comfortable and we are already excited and looking forward to seeing the building work commence."

Ms Randall added: "We are so delighted to have been supported over the last year by such a wonderful group of ladies who have worked hard with a variety of events to raise an amazing amount towards the centre."

A cheque for the same amount from the Greenham Common Trust, who also work to provide financial support for projects in North Hampshire, was also handed over last month.

Chemotherapy, radiotherapy, supportive and complementary therapies will all be merged in one building when the cancer centre is complete.

Currently patients who need radiotherapy treatment have to travel to Southampton, Reading or Guildford – often every day for six weeks.

# Trials and tribulations

**SINCE the end of the Second World War, housing in the town has been seen as the responsibility of local councils.**

Is it time for a change? Is it time for us to teach our children about personal responsibilities?

My son asked me out for lunch last week and as a parent, I guessed correctly that he wanted something.

Eventually the conversation moved from the usual social graces to the subject of him wanting to buy this house he had found.

I was quite chuffed - my son was growing up.

That was short lived. The next line was, "Dad, can I have..."

The sum of the story is that he did not have a large enough deposit and needed me to guarantee the mortgage.

He wanted to buy a three-bedroom house as his first home.

My response was predictable. A firm "NO."

That might sound harsh.

He and I had a long conversation after about responsibilities and expectations.

I did suggest that he saved a deposit. That thought was quite alien to him.

We also discussed shared ownership with his brother who is also looking for somewhere to live.

That plan made a lot of sense to me: they are used to living together, they have a joint income large enough to get a mortgage without me, and I am much more willing to help with a deposit for the two of them rather than one.

As you can guess, the jury is out.

We will see if the reality of what they can afford and their expectations of what they want can meet.

# Evans is ready to rev and rock

By **Mathew Di Salvo**
mathew@taylornewspapers.co.uk

• Chris Evans with his Ferrari last year

**THIS year's annual CarFest is fast approaching.**

Hosted by BBC Radio DJ Chris Evans, the sold-out festival will kick off at Laverstoke Park Farm near Overton this bank holiday weekend.

Fancy cars, food and music will be served up as part of the entertainment coined in Chris Evans' words as the "perfect family festival".

The weekend, from Friday to Sunday, also raises money for Children in Need.

"It's always really special to go back to Laverstoke as, in many ways, it's the spiritual home of CarFest," said Evans.

"This year promises to be the best yet, too, as we've lined up some truly fabulous cars, great live bands plus an utterly unbelievable array of family entertainment.

"I can't wait to get revving and rocking all over again!"

Almost 20,000 people are expected to flock through the gates.

A collection of cars from old to new will be on show as rally cars race around a track.

Artists performing include Eliza Doolittle, Chas & Dave, Toploader, Texas, Sophie Ellis-Bextor, 10cc, The Feeling and Jamie Cullum.

There will also be stunts and displays as well as an outdoor play area for children.

The relatively new festival, now in its third year, has raised over £2million for charity so far.

Cars owned by Chris Evans and Pink Floyd drummer, Nick Mason, will race up a hill climb in a bid for the title of ultimate motor enthusiast.

This weekend's CarFest South comes after a successful CarFest North held at Oulton Park in Cheshire earlier this month.

For more information go to carfest.org.

# Project to make breastfeeding in public easier

**SHOPS, cafes and pubs in Basingstoke have signed up to a new project to support breastfeeding.**

So far 12 have signed up to the scheme, which aims to make mums feel more comfortable breastfeeding in public.

It was launched after World Breastfeeding Week from August 1 to 7.

Places which sign up have to display a sticker in their windows which show mothers that they can breastfeed there.

Cabinet member for partnerships at Basingstoke and Deane Borough Council, Cathy Osselton, who is also a former midwife, said: "This scheme is a very positive initiative which offers mums a choice of safe and comfortable public venues in which to breastfeed their babies.

"In the past, breastfeeding mums have worried they will be unwelcome in many premises, including cafes and pubs.

"This scheme demonstrates the positive attitude of its members who have pledged to welcome breastfeeding at their venues and give support to the mums who use them up."

BHS, Café Nero, Costa and Debenhams in Festival Place have signed up as well as The Fox pub in Andover Road.

The project was set up by a breastfeeding implementation group, made up of Basingstoke and Deane Borough Council, Basingstoke's children's centres, North Hampshire Hospital, the National Childbirth Trust and the Southern Health NHS Foundation Trust.

# Theatre line-up revealed

**WITH summer holidays drawing to a close the curtains are coming up to launch Basingstoke's theatre season.**

By **James Richings**
jamesr@taylornewspapers.co.uk

Central Studio, based on the campus at Queen Mary's College in Cliddesden Road, have announced their autumn and winter line-up.

The theatre will open its doors on September 5 with an acoustic open mic night showcasing Basingstoke's musical talent on the first Friday of every month until February 6 – bar November which switches the night to the second Friday.

ABB, formerly the Average Blues Band, will be at Central Studio on September 20, to play a mix of modern original blues-based material.

After a three-month hiatus, Live and Unsigned will be back on October 8.

Put on by You Rock Music Schools, Central Studio will bring the best of Hampshire's exciting new musicians to the stage.

The Pearl - in Basingstoke on October 1

The music continues into the winter months with The Daniel Smith Blues Band on November 15. Jazz and the New Orleans piano from Daniel Smith and band shoots for a good time vibe of the juke joint and speakeasy.

To see off 2014 in musical style The Book of Genesis will be in town on November 29 to help fans recapture their 70s and 80s glory days.

Theatre-wise, a play called 12.10.15 will be at Central Studio from September 11 for two days bringing a story about wartime nurse Edith Cavell to life. Cavell was a British nurse working in Brussels during the Great War. The play lifts the lid on one of the great untold stories of the First World War.

Island of Immortally is at Central Studio on September 17 to tell a story about an island where people live longer than they should.

The Dumbshow Theatre Company brings The Pearl on October 1. The production is about an impoverished pearl-diver who finds the 'pearl of the world' and believes his family's life will be transformed.

One way to remember the fifth of November is with a show about the Gunpowder Plot, called Fawkes, The Quiet Guy held on November 7 and 8.

Most people will know a gang tried to blow up the Houses of Parliament but most may not know the plot was far more sinister, as the show reveals.

And to round off 2014, What the Dickens makes its way to Central Studio on November 13. A young Charles Dickens is a rookie reporter on The Morning Chronicle. Whilst investigating the foggy slums of Ye Olde London Towne, he accidently stumbles on a story that could make his reputation.

For the full line-up, see centralstudio.co.uk.

# Install a water softener and banish limescale!

Hard water is something we are all used to in the South, althoughmost of us have got used to putting up with it, many do not realisethat you can do something about it. It furs up our heating systems,causing breakdowns, makes it more expensive to heat our homes and damages our appliances.
The other problem with limescale is the constant cleaning ofshowerheads, shower screens, stainless steel sinks, the wholehouse can suffer where water is concerned. Limescale aggravates skin problems such as eczema and psoriasis.

With a water softener no limescale will get into the house, which means you will have to do less cleaning, stop buying limescale-related products, cut washing powder use by up to 75%
and have less chance of large bills for potential future problems with your heating system and appliance breakdowns. If you were to purchase an ordinary softener you would have quite a large machine, which requires you to set clocks and lug around a 25kg bag of salt.
The TwinTec S3 is different. It is small, requires no electricity and uses block salt (like two house bricks) instead of heavy bags.
Harvey Softeners has been manufacturing softeners in this area for more than 30 years.
Kevin Goody (UK Water Softeners) is one of Harveys top TwinTec dealers and was voted number two in the country last year.

### Why is Kevin so successful?

He puts it down to extensive marketing, having a great plumber with over 30 years of experience installing water softeners, good customer satisfaction and recommendations.
Kevin has installed 4100 water softeners in homes in this area over the last eighteen years and arranges everything from initial survey to installation.

### Get in touch

# Top dealer award

Kevin Goody (UK Water Softeners) was voted the number 2 TwinTec dealer in the country at an awards event in Cyprus this month.
This is the fourth year in a row that he has achieved this accolade and over the last 19 years he has never dropped out of the the top three dealers.
Kevin has more than 4,500 water softener customers locally spanning over the last 19 years,
Kevin is seen obtaining his award from Harvey Bowden owner of Harvey Softeners Ltd and TwinTec dealer/manager Sarah Goody ( Kevin's daughter).
Kevin's son Andrew is also a TwinTec service engineer.
New customers come from recommendations from existing customers, newspaper adverts, the internet and leaflets. He has 14 Google reviews and 46 independent testimonials on his website.
Kevin also employs James who delivers 20 tons of block salt per month to his customers. He also employs a plumber Rob who installed more than 6,500 water softeners over the last 25 years and used to work for the manufacturers.
If you would like to have soft water in your home either look at the website www.uk-water-softeners.co.uk or ring Kevin Goody direct on 01276 27924

# Strawberry Tea and Poppy Picnic

**A STRAWBERRY tea party and poppy picnic in Basingstoke on Saturday will see entertainment including face-painting and stalls to raise money for charity.**

The event, at All Saints' Church hall in Victoria Street, kicks off at 1pm and winds down at 4pm.

Sales and the 50p entrance fee are raising funds for Breast Cancer Care and the Royal British Legion.

By **James Richings**
jamesr@taylornewspapers.co.uk

Volunteers Karen Hodgson and Wendy Perry are organising the event.

Karen said: "It is the first time that either of us are doing this, so I can't wait until Saturday.

• *Decorations for the picnic*

"We are expecting a big turn out, it's going to be a lot of fun for everyone.

"There will be face-painting, a variety of stalls and traditional teas so it's going to be a fun day all round for all of the family.

"I might even join in on the fun and get a face-paint myself!"

They are running the party and picnic as founders of Inspirational Events Basingstoke (IEB), an organisation that provides support to communities and charities in Basingstoke.

IEB was launched by Ms Perry and friend Karen Hodgson as a non-profit organisation.

The original idea for IEB came about as a result of the voluntary work Wendy did supporting the victims of the Buckskin floods earlier this year.

The pair are hoping to build on the work from the flooding.

The IEB support about 20 charities in total.

For the Strawberry Tea and Poppy Picnic, Breast Cancer Care and the Royal British Legion were chosen to join in with national events.

Karen is also planning to walk 500 miles to raise funds to help pay for the running costs of IEB.

She was due to take on the 500 miles in May but the start date has been delayed until she gets at least 35 charity pledges.

## Review of the South Korean car company's alternative run-around, the Hyundai i30

# Hyundai's everyday car offering

**THE i30 is Hyundai's answer to the Volkswagen Golf, Ford Focus and Vauxhall Astra.**

The new Generation i30 is longer, wider and lower than its predecessor – generating sportier exterior proportions without compromising interior functionality. Offered in three and five door hatchback guises, as well as an estate - all models come with a five-year, 100,000-mile warranty.

### FACTS at a glance

REVIEW: Hyundai i30 Active 1.6 CRDi

By **Philip Shoulder**
@writeonmotoring

The engine line-up ranges from a 98 bhp 1.4-litre petrol to a 126 bhp 1.6-litre diesel. Tested here is the ultra efficient 109 bhp 'Blue Drive' diesel, which returns a claimed 76.3 combined mpg and emits only 97g/km, making it road tax exempt. Trim levels run from the basic Classic to Active, Style, Style Nav and Premium. All models come with Electronic Stability Programme (ESP), Hill-start Assist Control (HAC), air-conditioning, Bluetooth, voice recognition, and USB connectivity. This Active spec car adds cruise control, rear parking sensors, electric and front and rear windows.

Inside it is attractively designed, if slightly reminiscent of some familiar European models. Regardless, it's a big improvement on the old car.

There's a spacious feeling throughout the cabin and in the rear there's ample head and legroom to accommodate six-footers. Stowage space is also plentiful in the i30 – the centre cubby is particularly capacious – big enough to fit a small bag. There's another little area for coins, cup holders, and a tray in the front of the gearstick. The boot has pretty good access and offers 378 litres of capacity – more than either the VW Golf or Ford Focus.

This 109 bhp 'Blue Drive' diesel proves eager enough once the revs are up, but can lack low-down pulling power, resulting in frequent use of the gearbox at lower speeds – but the gear change is slick and easy to use. Steering is nicely weighted and comfortable to grip.

This Blue Drive model gets high profile tyres, which help to provide extra cushioning to an already pliant ride, making i30 a comfortable companion even when road surfaces deteriorate.

It might not be the most interesting hatchback to drive, but it's certainly capable, secure and hassle-free. The more time you spend behind the i30's wheel, the more you begin to appreciate just how much it does right.

Verdict - Hyundai's i30 is an appealing, well-rounded package, offering a persuasive mix of talents; it's worthy of serious consideration.

# Taking care of your motor

**FASTFIT Service Centre is celebrating its tenth anniversary at Unit One, Moniton Trading Estate in West Ham Lane.**

And the independent automotive specialist is proud to be expanding in a bid to give its customers exactly what they want. "Everything your car needs is here under one roof", explained manager Byron Lewis who, like his team of experts, has spent a lifetime in the automotive industry.

He added: At Fastfit we offer hourly rates which are some of the best in Basingstoke. No job is beyond us and we are quite simply a one-stop shop and more besides. Whether it's and entire engine overhaul or just tweaking the brakes. we will do it, and do it well."

The business is continually expanding and includes a new mobile tyre fitting and home start service. A comprehensive diagnostic service can also be provided and the business issues many dealer level tools ranging from Ford, Jaguar to Land Rover and Volkswagen.

Fastfit offers everything from MOTs and minor servicing to major repairs and complex engine work.

More complex issues include an Engine Control Unit (ECU) remapping service which makes the vehicle more responsive and smoother to driver. In these tough time, it also slightly increases the miles-per-gallon!

Fastfit Service Centre also stocks a rang of budget or performance tyres and it can also custom build stainless steel exhaust systems.

"Come and give us a try. You won't be disappointed," concluded Byron.

## What our customers think

• My car had been taken to three different repair centres which was suffering from low power none of them diagnosed the problem. I took it to these guys for a remap and full exhaust in the hopes it would fix it. It was better but Byron still thought it wasn't right so spent another couple of hours diagnosing it! He didn't charge me extra and even finished after they should of closed. You just don't get that kind of service these days. Amazing!
**Cheers,**
**Clive Baldwin**

• Great service from the whole of the Fast Fit team. They know what they are talking about and are happy to help with any query.
I wanted something activated on my car that was not activated at the factory. A dealer wanted upwards of £100 to do the job, I contacted Fast Fit and they have the same Dealer Software. Done the job quick and for a third of the price!
These guys definitely know what they're talking about and I would recommend them to anyone!
**Chris H**

• Excellent service! Very polite and great value for money prices! I will recommend to friends and family. If you need your car repaired at the right price don't look any further.

# Greener returns for a third full season with the Bison

**BASINGSTOKE Bison have announced that forward and assistant coach Joe Greener has re-signed for the coming season.**

By **Adam Flinn**
adam@taylornewspapers.co.uk

Greener will play in his third full season with the Herd, and comes after the 27-year-old ended the previous campaign as Bison's top British scorer.

Although last season was only his second with the squad, Greener made his debut with the Bison back in 2000, and also played 31 games in the British National League three seasons later.

He then spent a few years playing in America, before returning to the UK and lining up with the Bracknell Bees and Slough Jets ahead of his return to Basingstoke.

"I agreed with Basingstoke early on as I really want to be a part of this team again this season," said Greener.

"Last year you knew that the player next to you would be battling as hard as you to make sure the team won.

"This is why we were so successful and I cannot see any reason why we cannot do it again."

Bison player/coach Doug Sheppard added: "He had a great year for us last season and never mind the numbers, he is solid defensively and also an excellent penalty kill man.

"He is a reliable player in all situations."

Also, Bison announced their new title sponsor for the coming season as Basingstoke-based company Paul Baldwin Agencies.

Mr Baldwin said: "I'm impressed with what's been going on at the club in recent years and want to help them continue to flourish in the community. I'm looking forward to assisting Doug in developing a successful team."

## Sport Bites

### Top rugby squad visit Basingstoke young players

AVIVA Premiership rugby union squad London Irish are visiting Basingstoke RFC this week in their quest to find the future Jonny Wilkinson in the area.

Beginning yesterday and finishing tomorrow, the three-day London Irish iPro Rugby Camp is teaching children aged six to 16 skills and techniques required for the modern game.

And those taking part will also get the chance to watch the professionals play, as each will receive a ticket to watch a London Irish game over the course of the coming season.

Mike Crump, head of community at London Irish, said: "The programme has been developed by our professional community coaches to cover all positions for players of all abilities."

### 'Stoke win derby match with Hook

BASINGSTOKE and North Hants Cricket Club beat local rivals Hook and Newnham Basics by 36 runs in their Southern Premier Cricket League Division One clash on Saturday.

Mathew Thankachan top-scored for Basingstoke with 44 not out as the away side set a commanding target of 178-8.

In reply the visitors were bowled out for 142, with Basingstoke's Martyn James taking 5-35.

In Division Two Hartley Wintney suffered a disappointing defeat, losing by 86 runs to relegation-threatened Havant II.

In response to Havant's 197-9, Hartley eventually collapsed to 111 all out, with Ari Karvelas top-scoring with 40.

All three teams are back in action on Saturday, as Basingstoke host Andover, Hook are at home to Hursley Park and Hartley Wintney welcome Calmore Sports.

# Racing duo head to Scotland

**NORTH Hampshire racing drivers Rob Collard and Nick Foster are back in action this weekend as the British Touring Car Championship heads over the border to the Scottish circuit of Knockhill.**

Collard enjoyed his best results at the track last season as he picked up his only podium in what was a difficult season for the 45-year-old.

Knockhill has been a happy hunting ground for Collard in recent years, as he won twice at the track in 2012 and took his first ever win there in 2005.

Meanwhile, Foster will be hoping for an upturn in form after a disappointing run of results has cost him valuable points in the last few races.

The 48-year-old has a best result of fifth at Knockhill, although he could only manage eighth at the circuit last year.

He is currently 16th in the BTCC table with 50 points, while Collard is fifth with 184 points.

Just three events remain after this weekend, culminating in the season finale at Brands Hatch in Kent on October 12.

# Defeat at the first hurdle for Calleva and the Jam Boys in FA Cup fixtures

**TADLEY Calleva were knocked out of the FA Cup on Tuesday night, losing 4-2 to Ascot United in their Extra Preliminary Round replay.**

By **Kieran Davey**
news@taylornewspapers.co.uk

Tadley found themselves 4-0 down with 25 minutes to go, but two late goals set up a nervous finish.

The two sides drew 1-1 in their previous match on Saturday.

Whitchurch United also failed to make it through after losing 2-1 to Hallen FC in their replay on Tuesday.

Hallen will now take on Swindon Supermarine in the Preliminary Round next week, while Ascot travel to Bishops Cleeve.

Bizarrely, Hartley Wintney's tie with Frimley Green on Saturday had to be abandoned at half-time, with Frimley leading 2-1.

The match was stopped after reports of misconduct in the dressing rooms during the half-time break.

An FA investigation will now be carried out.

All three teams are away in league action on Saturday, as Wintney travel to Westfield, Whitchurch take on Horndean, and Calleva play Team Solent.

# BRISTOW AFTER THREE IN A ROW

## Boss pleased with results, but warns of complacency

By Jack Johnson
jack@taylornewspapers.co.uk

**JASON Bristow is urging his Basingstoke Town side not to become complacent as they look to record a third straight win in the Vanarama Conference South when they face Hayes & Yeading on Saturday.**

Manny Williams, Chris Flood and Shaun McAuley scored in last Saturday's impressive 3-0 win at Bromley - leaving the Dragons fourth in the table with six points from the first three games.

And Bristow is looking for more of the same this weekend when they welcome Hayes to the Soccer AM Stadium on Saturday before travelling to Farnborough on Monday.

"Hayes have started very well themselves and they were a bit of an unknown quantity last year and have had a lot of changes," said Bristow.

"It is important we don't worry too much about that and concentrate on the positives that have come out of our last two games.

"We have got to focus on Hayes and make sure we do not become complacent because of the last two good results, and that we continue at the same level and play our own brand of football, rather than worry about other teams."

Town have scored seven goals in their last two games and have only conceded once – a goal direct from a free kick in the opening day defeat to Hemel Hempstead Town.

Bristow said: "We had a good defensive record last year and we were let down by the lack of goals going in the other end.

"We have started quite well with only one goal conceded in three games so the defence, midfield and the forwards have all worked hard and stopped the opposition from taking chances."

He continued: "Seven goals in two games is a good tally as well and if you put the two together you come up with a winning formula.

"It's a team effort and it's not just the back four and the goalkeeper.

"It's from one to 11 so a lot of hard work goes into it and I'm pleased that at the moment the players are getting the credit they deserve."
